

I MIGHT HIT RECORD

Intro:

Rock bottom Tings Body
shot Nobody rings Cold
Case Show face
Call me

Verse 1:

I might hit record
I'm on the floor
I'm getting bored
Good things Ignored
Tend to want more

Tend to want two
Morals are few
My point of view
When I have more
It's less of you
What do I do
To outgrow you

Falling and all this body
It can't hear u calling
Nobody but this camera

Chorus:

Nobody got me
Got me, Got me, Got me, Yuh
Nobody got me,
Got me, got me, got me, got me, yuh
Nobody got me,
Got me, Got me, Got me, got me, yuh
Nobody got me,
Got me, Got me, Got me, got me, yuh
